Register now for RCBI Information Events in adjoining regions for the Romania-Ukraine-Republic of Moldova ENPI CBC Programme

The RCBI team will hold two Information events in April for potential beneficiaries from adjoining regions in Ukraine who are eligible for the Romania-Ukraine-Republic of Moldova ENPI CBC Programme.

Regions in Ukraine identified in the EU's ENPI CBC Strategy Paper as eligible for this new funding opportunity are Odessa, and Chernivetska Oblasts.

However, Ivano-Frankivska and Vinnytska Oblasts, ten districts of the Khmelnytska Oblast and twelve districts of the Ternopil'ska Oblast¹ are adjoining regions, which means organisations from these regions can be partners in applications submitted by organisations from the eligible border regions.

The aim of these Information events is to provide you with detailed information about the Romania-Ukraine-Republic of Moldova ENPI CBC Programme and opportunities to participate. For more information on the Programme, please see www.ro-ua-md.net

The Information events are for eligible participants in the eligible adjoining regions, namely national, regional, local public authorities, regional and local public organisations, chambers of commerce, regional associations, non-governmental organisations and trade unions etc.

Is your organisation located in adjoining region and interested in participating? To register, please go to http://www.rcbi.info/pages/56_1.html. Please register as soon as possible as places may be limited.

27 April 2009, Ternopil
